Great Discovery.

It has long been claimed that if we knew it, there would be an herb, or a combination of herbs, roots and burks that would cure all the ills human flesh is heir to. Dr. Mishler, with a few of his professional friends, have kept this idea constantly in view, and labored earnestly and perseveringly for years to find this most desirable treasure. Though they have not found an instant cure for all complaints, they have nevertheless discovered a remedy, which, as yet, has never failed in curing Chills and Fever, Dyspepsia, and all diseases arising from any impurity of the blood or disarrangement of the digestive organs, including Liver Complaint, Coughs, Cold., Sick Headache, Neuralgia, Nervousness, General Deblity and all affections of the Kidneys and Urinary Organs.

This great discovery, in honor of the indefatigable labors of Dr. B. Mishler, is called Mishler's Herb Bitters, and whenever introduced takes the place of Quinine and the host of other remedies used heretofore for the complaints mentioned above.

Sold by all Druggists and General Dealers. repared solely by DR. S. B. HARTMAN & CO., Successors to DR, B. MISHLER, Lancaster, Penna. Great Discovery.
